PRESS RELEASE, 31 JULY 2012

FormPipe Software completes acquisition of Danish Traen

FormPipe Software has today completed the previously announced acquisition of Traen. FormPipe Software has acquired all shares in Traen for a consideration of approximately SEK 300 million on a cash and debt-free basis. The acquisition is financed through a fully guaranteed rights issue of approximately SEK 125 million as well as through bank financing.

As a result of the rights issue, the number of shares and votes in FormPipe Software has increased by 36,700,941 and amounts to 48,934,588 as per 31 July 2012.

Stockholm, 31 July 2012

About FormPipe Software

FormPipe Software AB (publ) is a software company within ECM (Enterprise Content Management). We develop and supply ECM products for the structuring of information in larger companies, authorities and organisations. Our software helps organisations to capture, manage and place information in a context. Reduced costs, minimised risk exposure and structured information are benefits gained from using our ECM products.

FormPipe Software was established in 2004 and has offices in Stockholm, Uppsala, Linköping and Copenhagen. FormPipe Software AB (publ) is listed on NASDAQ OMX Stockholm.

IMPORTANT INFORMATION

This press release and the information contained herein is not for release, publication or distribution, directly or indirectly, in or into, and is not to be addressed to persons domiciled or situated in, the United States, Australia, Canada, Hong Kong, New Zealand, South Africa or Japan, or any other country or any other jurisdiction in which it is unlawful to buy or to sell the subscription rights, the shares or the paid subscription shares, and may not be reproduced by any means, in whole or in part.

The information on the Rights Issue in this press release is not an offer to acquire, subscribe to or by other means trade in shares, subscription rights or other securities in FormPipe Software. A prospectus regarding the Rights Issue and the subsequent quotation of new shares on NASDAQ OMX Stockholm has been approved and registered by Finansinspektionen (the Swedish Financial Supervisory Authority) and is available on, inter alia, FormPipe Software's website.

The forwarding, distribution, reproduction or display of this press release may in certain jurisdictions be subject to legal restrictions, and persons who gain access to this, or portion of this, should apprise themselves of and comply with such legal restrictions.

This press release, and the information contained herein, neither constitutes, or constitutes part of, an offer to sell shares or other securities, nor an exhortation to buy or subscribe to shares or other securities, in the United States, Australia, Canada, Hong Kong, New Zealand, South Africa or Japan, or any other jurisdiction in which such an offer or exhortation to buy, subscribe to or sell shares or other securities would necessitate a further prospectus or registration measures or other measures than those which ensue from Swedish Law, or would not be lawful without registration or applicable exemption from registration in accordance with the laws pertaining to securities in such jurisdiction.

The subscription rights, the paid subscription shares and the new shares have not and will not be registered in accordance with the United States Securities Act of 1933 in its most recent form ("Securities Act") or in any jurisdiction outside Sweden. Securities may, in the absence of such registration, not be offered or transferred within the United States or to so-called U.S. persons (as defined in Regulation S in the Securities Act) other than with the application of an exemption from, or through a transaction that is not comprehended by, the registration stipulations of the Securities Act.
