Press release, March 18, 2016

## **Formpipe receives order from a Danish municipality worth SEK 1.1 million**

**Formpipe receives a supplementary order on the ECM product Acadre from a Danish municipality. The total order value amounts to SEK 1.1 million.**

“The need for more efficient administration is driving demand for our ECM products. Our strong position in the public sector offers us greater opportunities when municipalities, county councils, and governmental agencies need to consolidate their information processing to increase efficiency”, says Christian Sundin, CEO of Formpipe.

Of the total order value, license revenues of SEK 0.5 million are recorded in first quarter of 2016, while associated revenue will be allocated throughout the contract period.
