# Formpipe appoints Sophie Reinius as CFO.

**Sophie Reinius strengthens Formpipe's Group Management as new CFO as of October 21.**

Sophie Reinius brings with her over 20 years of experience from large international technology companies, where she has held senior positions. Most recently, she comes from the role as CFO at Arelion, before that she was CFO at Coromatic and Net4Mobility. She has also held roles as controller at Microsoft in Sweden, controller for the Nordic region and operations manager for Sweden within Philips Home Healthcare and before that at Schneider Electric as group controller for the Nordic and Baltic countries.

In addition, she is on the board of Scandinavian Data Centers. Sophie Reinius holds a bachelor's degree in finance and a law degree from Stockholm University.

"I am pleased to welcome Sophie Reinius to us at Formpipe. With extensive experience from leading positions from international companies in the IT and Telecom sector, she will strengthen our company as we continue our growth journey. She is well versed in our market, both in the Nordic region and internationally, as well as the challenges and opportunities we will face in the coming years," says Magnus Svenningson, CEO of Formpipe.

Sophie Reinius will start on October 21 and will walk in parallel with former CFO Joakim Alfredson for the handover. She reports to Formpipe's President and CEO Magnus Svenningson.
