Formpipe receives order from a Swedish Region worth SEK 1.7 million

Formpipe receives a supplementary order on the ECM product Platina from a Swedish Region. The total order value amounts to SEK 1.7 million.

“The digitization of the public sector continues - from being essentially a matter of keeping track of information, to be also about using data sources and the opportunities of digitization to achieve greater efficiency, better service and accessibility. We see that our products are highly competitive and existing customers are increasing their investments in our ECM products,” says Christian Sundin, CEO of Formpipe.

Of the total order value, license revenues of SEK 1 million are recorded in fourth quarter of 2015, while associated revenue will be allocated throughout the contract period.
