

PRESS RELEASE, 26 NOVEMBER 2012

Thomas à Porta new CEO at FormPipe Softwares subsidiary Traen A/S

FormPipe Software today announces that Thomas à Porta has been appointed as the new CEO of the Danish subsidiary Traen A/S. Thomas assumes his role on January 1, 2013. Current CEO Jakob H. Kraglund continues his service until Thomas à Porta takes office.

Thomas has 20 years of experience in the IT industry in roles such as Senior VP Markets & Services with KMD A/S, Managing director for Backoffice Associates Europe A/S and Sales director for IBM Denmark. With experience in the industry and with leadership experience, Thomas has a solid background to take the company to its next level.

"I am very pleased to have Thomas à Porta as new CEO of Traen. He has very good knowledge of the industry and is an experienced and effective leader. Our strategy to strengthen our position as a leading supplier to the public sector in Denmark remains, and Thomas is the right person to further develop the good trend that already exists for the business", says Christian Sundin, President and CEO of FormPipe Software AB.

This is a translation of the original Swedish version. In the event of any discrepancies between the two versions, the original Swedish version shall take precedence.
